URBAN STYLE MEETS FEELGOOD VIBES

Welcome to **WALDLÄUFER**! Explore our brand-new **NOW! Collection**: exceptionally comfortable, intricately detailed shoes that perfectly blend modern style with practical comfort, all at an **attractive price**. Of course, they all feature WALDLÄUFER's legendary perfect and proven fit.

From work to leisure, our **Allday** styles keep you stylish and comfortable from morning to night. For increased performance, try our **Gonamic** styles, designed with dynamic technology that enhances flexibility and lightness. Our **Run Vegan** line offers eco-friendly, animal-free alternatives.

Exclusively for women, the Allday and Gonamic styles also include models with our **Bungeez** comfort technology. These shoes offer a flexible fit and soft, stretchable materials in the forefoot area, providing essential relief for active feet.

STEP INTO COMFORT: THE BRAND NEW NOW!-COLLECTION

ALLDAY

ESSENTIAL SNEAKERS

COLOR UP YOUR ROUTINE!

MOLDED
FOOTBED

EASY SLIP-IN
ZIPPER

SHOCK
ABSORBING

ULTRA
LIGHT

Regardless of the day's challenges, the **Allday** Styles are your perfect companions from business to after-hours. These lightweight and flexible comfort sneakers, available in **H-width for both men and women**, come in a vibrant collection that epitomizes summer! The **contoured footbed** gently cradles your foot, ensuring unparalleled comfort with every step. The lightweight and soft EVA midsole provides **bouncy cushioning** with every step – it's like walking on soft summer clouds

For women, select **Bungeez** styles feature a soft stretch effect in the forefoot area.

STEP INTO ACTION

GONAMIC

GONAMIC – These sneakers are a perfect match for your active lifestyle. Experience unparalleled comfort and support on all your daily adventures. Crafted with precision and care, the WALDLÄUFER GONAMIC styles stand out for their artisanal, flexible construction and **Dynamic Pronation Technology**.

ENGINEERED FOR YOUR ACTIVE LIFESTYLE

Due to the fully strobelled construction, these shoes offer lightness and incredible flexibility. On the strobelle sole, there is a layer of **3mm Soft Foam**, elevating comfort to a new level.

SOFT CUSHIONED DYNAMIC ROLL-OFF

Ultra-light and flexible comfort sneakers in H-width for both men and women, featuring Dynamic Pronation Technology.

- Ultra-soft, durable molded footbed
- Removable footbed
- Slim heel for perfect grip
- Lightweight, shock-absorbing EVA Soft Foam midsole
- Zipper for easy on and off
- Proven fit
- Durable, non-slip outsole profile

For women, select **Bungeez** styles feature a soft stretch effect in the forefoot area.
